1. Do you want to take part in the boat parade?(Sunday 14th May 2017)

We are looking for all kinds of entrants. The theme is “**In the navy!**”, so please decorate your boat and / or crew to match. However, this is not essential, what we need is for you to join us and be part of putting on a brilliant show for the town. The assembly point is the Visitors pontoon at Tewkesbury Marina at **2.15**. The parade will start at **2.30**, heading down through King John Bridge, past Avon Lock and to the end of navigation. The Town Mayor will be formally taking the “salute” of all the boats in the parade before we turn and return to the Marina.
