Please complete as many sections that are relevant to you.

1. Do you want a riverside stall or space? (£30 for two days)

What type of things do you wish to sell?

Or what activity do you need the space for?

Important: Please note that if required you will need to supply your own table (max size 2m / 6ft) and gazebo. If this size is not sufficient for your needs, you are welcome to purchase multiple stall spaces.

2. Do you want to take part in the boat parade on Sunday 20th May? [Free entry]

We are looking for all kinds of entrants. The theme is “**Royal Regatta**”, so please decorate your boat and / or crew to match. However, this is not essential, what we need is for you to join us and be part of putting on a brilliant show for the town. The assembly point is the Visitors pontoon at Tewkesbury Marina at **2.15**. The parade will start at **2.30**, heading down through King John Bridge, past Avon Lock and to the end of navigation. The Town Mayor will be formally taking the “salute” of all the boats in the parade before we turn and return to the Marina.
